Participate in our Tourism for Humanity Programme

Dear Visitor

We are delighted to share with you that you can now make your trip more responsible by participating in a Zara Charity humanitarian project.

Zara Charity is a UN Global Compact Member and a Non Profit Organization registered under Tanzania's NGO act of 2009. We have various outreach projects that benefit the community, the economy and the environment. Through the Charity Zara clients and visitors can now participate in some of our humanitarian work to make their trips more meaningful.

The available engagement opportunities include;

01

Visiting a Zara Charity sponsored orphanage here visitors can choose to either

- plant a tree for the children
- teach songs in the childrens classes
- participate in fun and sports activities with the children

02

Visiting maasai women group projects

NOTE: (this can only be done inKaratu) here visitors can choose

- to learn some crafts work
- watch how the women make their beaded crafts amongst other cultural activities.

Note: These activities will only take a 1-2 hours.

• Life's most persistent and urgent question is what are you doing for others? While it is true that you can not help everyone but everyone can help someone. Make your trip more meaningful by touching a life.

Together we can make destination Tanzania and the world a better place for us and the future generations.
